

Lighthouse Families,

Lighthouse Christian has celebrated 27 years of serving families through Christian education. It's a legacy that we enjoy recognizing as we meet alumni and families throughout the community that "remember when..."

We will always celebrate the history of Lighthouse academically, artistically, and athletically. We will also embrace the future and plans that the Lord has for Lighthouse over the next 27 years. Looking forward, we want to introduce to you the new branding options for the school. You'll notice some distinct connection to the past, but also a new look adopted in 2022.

The school seal acknowledges the core values, the legacy logos of the LC and Lion, and the color blocks within the shield that create a cross.

In addition to the legacy LC, you'll see a new LC, LCS font option and a new Lion logo. The Lion is an original creation that will be unique to Lighthouse only. It is displayed on the new bus and eventually incorporated into more areas. See if you can find the hidden images in the new logo that are unique to our city and our vision at Lighthouse!

As a reminder, we added a trace of green as an accent color to go with the Lighthouse navy and grey. Green is symbolic of hope and growth as we seek the Lord in his provision for the future of this amazing school!
